Come home to the
Calus
experience.

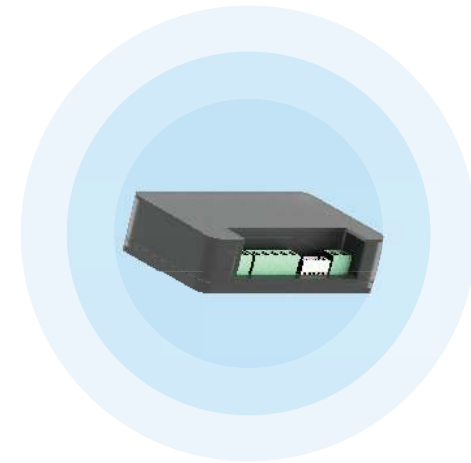

Smart People Have Smart Homes

Imagine a home that knows you intimately and creates a tailor-made experience for you and your guests every time you walk through the door.

Calus Spell

Features

Easy Installation

Minimalist aesthetic

Elegantly designed switchboards retrofittable with your existing home electronics.

Mood Setting

It's a vibe.

House party, intimate dinner, movie night or game night, set the ambience in a flash with voice or touch.

Geo Aware

Detects your presence

Trigger your appliance based on your location to set the perfect mood as you walk in the door.

Voice Control

Hey Calus

Make your wishes come true on command.

Schedule Appliances

Runs on autopilot

Appliances allcalibrated to run according to your timetable.

Data Security

State of the art infrastructure.

Military-grade AES-256 bit encryption with periodic Over the Air (OTA) updates.
